LODGING

Symposium registrants have their choice of a number of area hotels. Please call 574-647-2853 for a listing.

FACILITY

The Jordan Hall of Science is located on the University of Notre Dame campus.

Driving directions from the north: Exit the Indiana Toll Road (I-80/90) at Exit 77 and turn right onto Indiana 933. Make a left at the fourth stop light (Angela Blvd.), then turn left at the second stoplight (Eddy St.).

Driving directions from the south: Take U.S. 31 north which becomes Indiana 933 just south of the city of South Bend. Stay on Indiana 933 through downtown South Bend to Angela Blvd. Turn right onto Angela, and then turn left at the second stoplight (Eddy St.).

Parking will be available in nearby designated lots.

The facility is accessible to the physically challenged. Participants with special needs can request assistance by calling 574-647-2853.
*Temperatures may vary in the meeting rooms.
Please dress accordingly.*

RONALD V. MAIER, M.D., FACS

Dr. Maier graduated magna cum laude with a BS from the University of Notre Dame. He attended Duke University School of Medicine and subsequently completed a surgical internship at Parkland Memorial Hospital (Dallas, TX) and a surgical residency at University of Washington (Seattle). Dr. Maier is currently Professor of Surgery at the University of Washington School of Medicine, Surgeon in Chief and Director of the Northwest Regional Trauma Center at Harborview Medical Center, one of the busiest trauma centers in the United States.

ERNEST E. MOORE, M.D., FACS

Dr. Moore graduated from Allegheny College in Meadville, PA before attending medical school at the University Of Pittsburgh School of Medicine. He completed a surgical residency at the University of Vermont College of Medicine. Dr. Moore currently serves as Chief of Trauma at the Rocky Mountain Regional Trauma Center in Denver, Colorado and Professor of Surgery at the University of Colorado Denver and Health Sciences Center. He is co-editor of the textbook *TRAUMA* (6th edition, 2008).

1505 – 1515	BREAK
1515 – 1600	Recovery from Trauma: A Survivor’s Perspective <i>Brian Straight</i>
1600 – 1700	Reception

COURSE DESCRIPTION

Our 11th Annual Trauma Symposium examines the building blocks for a successful trauma system. Join us in welcoming recognized trauma experts who will discuss advances in diagnosis and management of this special population. The symposium is designed for trauma/general surgeons, orthopedic surgeons, neurosurgeons, emergency physicians, anesthesiologists, intensivists, nurses, therapists, allied health and EMS personnel involved in the care of the trauma patient.

COURSE OBJECTIVES

- Explore the impact of trauma systems on outcomes after injury
- Discuss evidence-based recommendations for the management of post-traumatic coagulopathy
- Debate the positive and adverse effects of traditional fluid resuscitation
- Explore the usefulness of thromboelastography in trauma
- Discuss evidence-based programs for reducing recidivism following violence
- Identify implications for prehospital care following methamphetamine explosion
- Select appropriate interventions in given case scenarios
- Discuss the rationale for altered trauma triage for the geriatric population
- Explore how multidisciplinary collaboration contributes to positive outcomes in multisystem trauma
- Identify the pediatric intensivist’s contribution to the immediate and long term outcomes in pediatric trauma.

ACCREDITATION

The Department of Medical Education of Memorial Hospital of South Bend designates this educational activity for a maximum of 1 credit AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Department of Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

This program has been reviewed and is acceptable for 1.0 prescribed credit by the American Academy of Family Physicians. AAPA accepts AMA category 1 credit of the Physician’s recognition.

Award from organizations are accredited by Indiana State Medical Association.

Memorial Hospital of South Bend (ISNA CNEP 09-15 12/1/12) is an approved provider of continuing nursing education by the Indiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Criteria for successful completion include attendance at 100% of the event and submission of a completed evaluation form. 6.0 contact hours will be awarded to nurses.

6.0 EMS in-service hours will be granted based on approval of your supervising hospital. EMS Providers who are sponsored by the South Bend Area EMS Committee will be granted 6 hours for attendance at the entire course. Application has been made for Michigan credit.

Application has also been made for continuing education credits through AART and Respiratory Therapy
